

## INVITATION

for participants in the Euro-Carto 2022 Conference and **workshop**

### DISASTER MITIGATION & RISK REDUCTION FOR CARTOGRAPHY IN BIG DATA ERA

**Sunday, September 18 2022, 2:30-5:00 pm.**

Organizers:

- ICA Commission on Cartography in Early Warning and Crises Management (CEW&CM),
- Chinese Academy of Surveying and Mapping (CASM) and
- Laboratory on Geoinformatics and Cartography, Department of Geography, Masaryk University, Brno, CZ

**Format:** hybrid

**Venue address:** Technical University, Jupiter, 2nd floor, Wiedner Hauptstraße 8-10, 1040 Wien

**Fee:** no charges for this workshop, only for registered conference participants

**Detail information at:** <https://eurocarto2022.org/workshops/#disaster>

The workshop will be held after meeting of **ICA Commission Chairs with ICA Executive Committee** and before **the Opening Ceremony**.

Disaster mitigation and risk reduction are complex topics and we will be glad to hear and share your ideas or proposals for cooperation.

Please, be so kind and inform your commission members and other conference participants about our workshop. Thank you very much in advance!

Please inform me personally ([konecnymilan3@gmail.com](mailto:konecnymilan3@gmail.com)) or our commission secretariat ([cewcm@casm.ac.cn](mailto:cewcm@casm.ac.cn)) about your participation.

Milan Konecny  
Vice-chair and organizer

LIU Jiping  
Commission Chair
